

LYRICS FROM YES! ALBUM

PRINCE OF PEACE

She will conceive and bear a son and he
Will be the Anointed Holy One,
Prince of Peace, Prince of Peace
The people who walked in the darkness, all
Of those who walked in the shadows
Light has shone through, Prince of Peace, Prince of Peace

You've made them pleased,
You've made their gladness and joy increase
Took all their sadness, gave them release, Prince of Peace
Of the increase, His government will be
Without cease, world without end
And forever peace, Prince of Peace, Prince of Peace

MAGNIFY

Magnify, magnify, magnify the Name of the Lord

NO OTHER GOD

I will have no other God, have no other God, have no other God
No God but you

GONNA LIFT HIS NAME UP

Gonna lift, gonna lift His Name up

TAKE THIS CUP

Stay here, pray with me and rest
Pray you're not put to the test
Stay here, pray with me and rest
The spirit is willing but not the flesh

Take this cup away from me, but Father, as you want it to be
Take this cup away from me, watch and pray with me

Stay here, pray with me and rest
I feel a fear and great distress
Stay here, pray with me and rest
My soul is sorrowful to death

Take this cup away from me, but Father as you want it to be
Take this cup away from me, watch and pray with me

DON'T CRY FOR ME

They led him from the city carrying his cross for all to see
To a hill called Calvary, carrying his cross for you and me
No mercy, shown no pity, falling to the ground for all to see
In pain, in agony, falling to the ground for you and me, he said

Don't cry for me but for yourselves and for your children
Don't cry for me but for yourselves and for your children

They led him from the city carrying his cross for all to see
When the weight was too much he gave it to a man who came to see

No mercy, shown no pity, falling to the ground for all to see
Then they nailed him to a tree, suffering the sins of you me, he said

Don't cry for me but for yourselves and for your children
Don't cry for me but for yourselves and for your children

IN PARADISE

You will be with me, you will be with me, you will be with me,
In paradise today

Father they don't know what they do
Forgive them all for rejecting you
My time on earth now is nearly through
Those who believe I will promise you

You will be with me, you will be with me, you will be with me,
In paradise today

Save yourself King of the Jews!
My God, my God, have you forsaken me too?
We deserve to die but not you
'Cause of your faith I will promise you

You will be with me, you will be with me, you will be with me,
In paradise today
